(06 January, 2022)

Introduction

- The National Commission for Protection of Child Rights (NCPCR), 2005 emphasizes the principle of universality and inviolability of child rights and recognizes the tone of urgency in all the child-related policies of the country.
- For the Commission, the protection of all children in the **0 to 18 years age group** is of equal importance.
- For the Commission, **every right the child enjoys is seen as mutually reinforcing and interdependent.**
- Therefore the issue of gradation of rights does not arise.
- A child enjoying all her rights at her 18th year is dependent on access to all her entitlements from the time she is born.
- Thus policies interventions assume significance at all stages.
- For the Commission, all the rights of children are of equal importance.
